The wiki way

Wikis’ organic growth can lead to a gradual deterioration of the wiki structure.

Problem statement

Wiki refactoring is needed.

Refactoring steps

1. Anomaly detection
2. Ballot triggering
3. Refactoring enactment

The ballot process

- Refactoring Bot
- Wiki State Checking
- Wiki Community
- Wiki Admin
- Ballot Announcement
- Vote Counting
- Voting
- Decision Pending
- Refactoring Enactment
- Rejection Remembrance
